

**A.T. Still University of Health Sciences – Central Coast  
Accreditation History**

First accredited: June 2021

Next review: September 2025

Maximum class size: 90

Page 1 of 2

June 2024

The commission **accepted** the report addressing 5<sup>th</sup> edition

- **Standard A1.11c** (provided evidence the sponsoring institution demonstrates its commitment to student, faculty and staff diversity, equity, and inclusion by supporting the program in implementing retention strategies)
- **Standard A2.03** (provided evidence principal faculty are sufficient in number to meet the academic needs of enrolled students and manage the administrative responsibilities consistent with the complexity of the program)
- **Standard A2.09d** (provided evidence the program director is knowledgeable about and responsible for continuous programmatic review and analysis)
- **Standard B2.19b** (provided evidence the curriculum includes instruction in academic integrity)

No further information requested.

September 2023 (following Provisional Monitoring review)

Accreditation-Provisional; Program demonstrates continued progress in complying with the *Standards* as it prepares for the graduation of the first class of students. Next Comprehensive Evaluation:

September 2025 (Final Provisional). The program's maximum class size remains 90.

Report due February 1, 2024 (*Standards*, 5<sup>th</sup> edition):

- **Standard A1.11c** (lacked evidence the sponsoring institution demonstrates its commitment to student, faculty and staff diversity, equity, and inclusion by supporting the program in implementing retention strategies)
- **Standard A2.03** (lacked evidence principal faculty are sufficient in number to meet the academic needs of enrolled students and manage the administrative responsibilities consistent with the complexity of the program)
- **Standard A2.09d** (lacked evidence the program director is knowledgeable about and responsible for continuous programmatic review and analysis)
- **Standard B2.19b** (lacked evidence the curriculum includes instruction in academic integrity)

No report due (commission expects program to submit all reports and documents as required by the ARC-PA with the initial submission):

- **Standard B2.11d** (lacked evidence the curriculum includes instruction in the patient response to illness or injury areas of social and behavioral sciences and their application to clinical practice)
- **Standard C1.02a** (lacked evidence the program implements its ongoing self-assessment process conducting data collection)
- **Standard C1.02b** (lacked evidence the program implements its ongoing self-assessment process by performing critical analysis of data)
- **Standard C1.02c.i** (lacked evidence the program implements its ongoing self-assessment process by applying the results leading to conclusions that identify program strengths)
- **Standard C1.02c.ii** (lacked evidence the program implements its ongoing self-assessment process by applying the results leading to conclusions that identify program areas in need of improvement)
- **Standard C1.02c.iii** (lacked evidence the program implements its ongoing self-assessment process by applying the results leading to conclusions that identify action plans)

**A.T. Still University of Health Sciences – Central Coast  
Accreditation History**

First accredited: June 2021

Next review: September 2025

Maximum class size: 90

Page 2 of 2

- **Standard C1.03** (lacked evidence program prepares a self-study report as part of the application for accreditation that accurately and succinctly documents the process, application and results of ongoing program self-assessment)
- **Standard E1.03** (lacked evidence the program submits reports or documents as required by the ARC-PA)

March 2022

The commission **accepted** the report addressing 5<sup>th</sup> edition

- **Standard B3.06a** (provided evidence supervised clinical practice experiences occur with physicians who are specialty board certified in their area of instruction)

No further information requested.

June 2021

Accreditation-Provisional; Next Comprehensive Evaluation: September 2023 (Provisional Monitoring).

The program is approved for a maximum class size of 90.

Report due November 1, 2021 (*Standards*, 5<sup>th</sup> edition):

- **Standard B3.06a** (lacked evidence supervised clinical practice experiences occur with physicians specialty board-certified in their area of instruction)

No report due (commission expects program to submit all reports and documents as required by the ARC-PA with the initial submission):

- **Standard E1.03** (lacked evidence the program submits reports or documents as required by the ARC-PA; corrected subsequent to the visit)
