March 2024

The commission **accepted** the report addressing 5th edition

- **Standard A3.13a** (provided evidence program defines, publishes, consistently applies and makes readily available to prospective students, policies and procedures to include admission and enrollment practices that favor specified individuals or groups)
- **Standard A3.14** (provided evidence program makes student admission decisions in accordance with clearly defined and published practices of the institution and program)
- **Standard B1.03d** (provided evidence that for each didactic and clinical course (including required and elective rotations), the program defines and publishes for students detailed information in syllabi or appendix to the syllabi, including course goal/rationale)
- **Standard B3.06a** (provided evidence supervised clinical practice experiences occur with physicians who are specialty board certified in their area of instruction)

No further information requested.

June 2023 (following Provisional Monitoring review)

Accreditation-Provisional; Program demonstrates continued progress in complying with the *Standards* as it prepares for the graduation of the first class of students. Next Comprehensive Evaluation: June 2025 (Final Provisional). The program's maximum class size remains 33.

Report due October 1, 2023 (*Standards*, 5th edition):

- **Standard A3.13a** (lacked evidence program defines, publishes, consistently applies and makes readily available to prospective students, policies and procedures to include admission and enrollment practices that favor specified individuals or groups)
- **Standard A3.14** (lacked evidence program makes student admission decisions in accordance with clearly defined and published practices of the institution and program)
- **Standard B1.03d** (lacked evidence that for each didactic and clinical course (including required and elective rotations), the program defines and publishes for students detailed information in syllabi or appendix to the syllabi, including course goal/rationale)
- **Standard B3.06a** (lacked evidence supervised clinical practice experiences occur with physicians who are specialty board certified in their area of instruction)

No report due (commission expects program to submit all reports and documents as required by the ARC-PA with the initial submission):

- **Standard E1.03** (lacked evidence program submits reports or documents as required by the ARC-PA)

March 2021

The commission **accepted the response** addressing 5th edition

- **Standard B4.01a** (provided evidence the planned evaluation of students related to the supervised clinical education components of the curriculum parallel all the program's required learning outcomes). No further information requested.

The commission **acknowledged the report** providing evidence of

- Changes in response to COVID-19. No further information requested.
