allow the program to address deficiencies in a timely manner).

Report due June 15, 2022 (*Standards*, 5th edition) -

- **Standard C1.03** (lacked evidence of a self-study report that accurately documents the program's process of ongoing self-assessment).

No report due (commission expects program to submit all reports and documents as required by the ARC-PA with the initial submission):

- **Standard E1.03** (lacked evidence program submits reports or documents as required by the ARC-PA)

June 2020

The commission **acknowledged the report** providing evidence of

- The proposed plan in response to COVID-19. No further information requested.

March 2019

The commission **accepted the report** addressing 4th edition

- **Standard B3.03c** (provided evidence of supervised clinical practice experiences [SCPEs] providing sufficient patient exposure with patients seeking surgical management) and
- **Standard B3.06a** (provided evidence of SCPEs with physicians specialty board certified in their area of instruction). No further information requested.

September 2018 (following Provisional Monitoring review)

Accreditation-Provisional; Next Comprehensive Evaluation: June 2020 (Final Provisional). Maximum class size: 30.

Report due November 16, 2018 (*Standards*, 4th edition) -

- **Standard B3.03c** (lacked evidence of supervised clinical practice experiences [SCPEs] providing sufficient patient exposure with patients seeking surgical management) and
- **Standard B3.06a** (lacked evidence of SCPEs with physicians specialty board certified in their area of instruction).

No report due (commission expects program to submit all reports and documents as required by the ARC-PA with the initial submission):

- **Standard C2.01c** (lacked evidence program prepares a self-study report as part of the application for continuing accreditation that accurately and succinctly documents the process, application and results of ongoing program self-assessment and faculty evaluation of the curricular and administrative aspects of the program)
- **Standard C2.01e** (lacked evidence program prepares a self-study report as part of the application for continuing accreditation that accurately and succinctly documents the process, application and results of ongoing program self-assessment and self-identified program strengths and areas in need of improvement)
- **Standard C2.01f** (lacked evidence program prepares a self-study report as part of the application for continuing accreditation that accurately and succinctly documents the process, application and results of ongoing program self-assessment and plans for addressing areas needing improvement)
