

Keck Graduate Institute Accreditation History

First accredited: March 2022

Next review: March 2025

Maximum class size: 40

Page 1 of 1

March 2024

The program received an alert through the Program Management Portal that the number of students exceeded the maximum entering class size. The program submitted the required Exceeding Class Size report. The commission **accepted the report**. No further information requested.

September 2022

The commission **accepted** the report addressing 5th edition

- **Standard A3.15c** (provided evidence of defining, publishing, consistently applying and making readily available to students upon admission c) policies and procedures for remediation and deceleration)
- **Standard B4.01b** (provided evidence student assessment in the supervised clinical practice experience components a) aligns with what is expected and taught and b) allows the program to identify and address any student deficiencies timely)

March 2022

Accreditation-Provisional; Program has not yet enrolled students but plans and resource allocation, if fully implemented as planned, demonstrate the probability to meet the ARC-PA *Standards*. Next Comprehensive Evaluation: March 2025 (Provisional Monitoring). The program is approved for up to 40 students.

Report due May 3, 2022 (*Standards*, 5th edition) -

- **Standard A3.15c** (lacked evidence of defining, publishing, consistently applying and making readily available to students upon admission c) policies and procedures for remediation and deceleration)
- **Standard B4.01b** (lacked evidence student assessment in the supervised clinical practice experience components a) aligns with what is expected and taught and b) allows the program to identify and address any student deficiencies timely)
