The program received an alert through the Program Management Portal that the number of students exceeded the maximum entering class size. The program submitted the required Exceeding Class Size report. The commission **accepted the report**. No further information requested.

The program received an alert through the Program Management Portal that the number of students exceeded the maximum entering class size. The program submitted the required Exceeding Class Size report. The commission **accepted the report**. No further information requested.

September 2019

The commission **accepted the report** addressing 4th edition

- **Standard B1.09** (provided evidence of instructional objectives for each didactic course that would guide student acquisition of required competencies),
- **Standard B2.08** (provided evidence that the curriculum included instruction in social and behavioral sciences, related to the response to illness, injury and stress),
- **Standard B2.09** (provided evidence that the curriculum included instruction in basic counseling and patient education skills, related to helping patients cope with illness, injury and stress),
- **Standard B3.06a** (provided evidence that supervised clinical practice experiences occurred with physicians who are specialty board certified in their area of instruction) and
- **Standard C3.01** (provided evidence that the program conducted objective evaluations of students related to its learning outcomes for the supervised clinical education components of the program). No further information requested.

March 2019 (following Final Provisional review)

Accreditation-Continued; Next Comprehensive Evaluation: March 2029. Maximum class size: 40.

Report due June 26, 2019 (*Standards*, 4th edition) -

- **Standard B1.09** (lacked evidence of instructional objectives for each didactic course that would guide student acquisition of required competencies),
- **Standard B2.08** (lacked evidence that the curriculum included instruction in social and behavioral sciences, related to the response to illness, injury and stress),
- **Standard B2.09** (lacked evidence that the curriculum included instruction in basic counseling and patient education skills, related to helping patients cope with illness, injury and stress),
- **Standard B3.06a** (lacked evidence that supervised clinical practice experiences occurred with physicians who are specialty board certified in their area of instruction) and
- **Standard C3.01** (lacked evidence that the program conducted objective evaluations of students related to its learning outcomes for the supervised clinical education components of the program).

Due June 28, 2021 (*Standards*, 4th edition) -

- **Standards C2.01b, d-e** (modified Self-Study Report) (lacked evidence that the self-study report documented b) results of critical *analysis* from the ongoing self-assessment, d) modifications that occurred as a result of self-assessment and e) self-identified program strengths and areas in need of improvement).
