

## Xavier University of Louisiana Accreditation History

First accredited: September 2019

Next review: June 2034

Maximum class size: 40

Page 1 of 2

### June 2024 (following Final Provisional review)

Accreditation-Continued; Program has demonstrated continued and sufficient compliance with the ARC-PA *Standards* after completion of the provisional review process. Next Comprehensive Evaluation: June 2034. Maximum class size: 40.

Report due October 1, 2024 (*Standards*, 5<sup>th</sup> edition):

- **Standard B3.03c** (lacked evidence supervised clinical practice experiences enable all students to meet the program's learning outcomes for women's health [to include prenatal and gynecologic care])
- **Standard B4.01a** (lacked evidence that the program conducts frequent, objective and documented evaluations of student performance in meeting the program's learning outcomes and instructional objectives for both didactic and supervised clinical practice experience components that align with what is expected and taught)

The program's student attrition rate was 10.9% or greater for its 2023 cohort. The program submitted the Student Attrition Required Report. The commission **accepted the report**. No further information requested.

### March 2024

The program's PANCE pass rate percentage was 85% or less for its 2022 cohort. The program submitted the required analysis of PANCE performance. The commission **accepted the report**. No further information requested.

### June 2022 (following Provisional Monitoring review)

Accreditation-Provisional; Program demonstrates continued progress in complying with the *Standards* as it prepares for the graduation of the first class of students. Next Comprehensive Evaluation: June 2024 (Final Provisional). Maximum class size: 40.

No report due (commission expects program to submit all reports and documents as required by the ARC-PA with the initial submission):

- **Standard E1.03** (lacked evidence program submits reports or documents as required by the ARC-PA)

### June 2020

The commission **acknowledged the report** providing evidence of

- The proposed plan in response to COVID-19. No further information requested.

The commission **accepted the report** addressing 4<sup>th</sup> edition

- **Standard B1.08** (provided evidence the curriculum includes opportunities for all students to apply principles of interprofessional practice in interprofessional teams).

### September 2019

Accreditation-Provisional; Next Comprehensive Evaluation: TBD (Provisional Monitoring).

The program is approved for up to 40 students in the first class of students, 40 in the second class and 40 in the third class.
