### June 2023

The commission **accepted** the report addressing 5<sup>th</sup> edition

- **Standard A2.14** (provided evidence that in addition to the principal faculty, there is sufficient didactic instructional faculty to provide students with the necessary attention and instruction to acquire the knowledge, skills, and competencies required for entry into the profession)
- **Standard A3.12b** (provided evidence of defined, published and made readily available to enrolled and prospective students general program information to include b) evidence of its effectiveness in meeting its goals)
- **Standard B2.11g** (provided evidence the curriculum includes instruction in the following areas of social and behavioral sciences and their application to clinical practice in g) violence identification and prevention)

No further information required.

### September 2022

Accreditation-Provisional; Program has not yet enrolled students but plans and resource allocation, if fully implemented as planned, demonstrate the probability to meet the ARC-PA *Standards*. Next Comprehensive Evaluation: March 2025 (Provisional Monitoring). The program is approved for up to 30 students.

Report due February 15, 2023 (*Standards*, 5<sup>th</sup> edition) -

- **Standard A2.14** (lacked evidence that in addition to the principal faculty, there is sufficient didactic instructional faculty to provide students with the necessary attention and instruction to acquire the knowledge, skills, and competencies required for entry into the profession)
- **Standard A3.12b** (lacked evidence of defined, published and made readily available to enrolled and prospective students general program information to include b) evidence of its effectiveness in meeting its goals)
- **Standard B2.11g** (lacked evidence the curriculum includes instruction in the following areas of social and behavioral sciences and their application to clinical practice in g) violence identification and prevention)

No report due (commission expects program to submit all reports and documents as required by the ARC-PA with the initial submission):

- **Standard C2.01c** (lacked evidence of defined and maintained effective processes and documented initial and ongoing evaluation of all sites and preceptors used for supervised clinical practice experiences, to ensure that students are able to fulfill program learning outcomes with access to c) supervision)
