First accredited: March 2023
Next review: March 2026
Maximum class size: 40

September 2023
The commission **accepted** the report addressing 5th edition
- ***Standard A2.01*** (provided evidence all program faculty possesses the educational and experiential qualifications to perform their assigned duties)
- ***Standard A3.13a*** (provided evidence program defines, publishes, consistently applies and makes readily available to prospective students, policies and procedures to include admission and enrollment practices that favor specified individuals or groups)
- ***Standard A3.13d*** (provided evidence program defines, publishes, consistently applies and makes readily available to prospective students, policies and procedures to include any required academic standards for enrollment)

No further information requested.

March 2023
Accreditation-Provisional; Program has not yet enrolled students but plans and resource allocation, if fully implemented as planned, demonstrate the probability to meet the ARC-PA *Standards.* Next Comprehensive Evaluation: March 2026 (Provisional Monitoring). The program is approved for a maximum class size of 40.
Report due May 15, 2023 (*Standards*, 5th edition):
- ***Standard A2.01*** (lacked evidence all program faculty possesses the educational and experiential qualifications to perform their assigned duties)
- ***Standard A3.13a*** (lacked evidence program defines, publishes, consistently applies and makes readily available to prospective students, policies and procedures to include admission and enrollment practices that favor specified individuals or groups)
- ***Standard A3.13d*** (lacked evidence program defines, publishes, consistently applies and makes readily available to prospective students, policies and procedures to include any required academic standards for enrollment)
