

## Marist College Accreditation History

First accredited: September 2015

Next review: March 2030

Maximum class size: 60

Page 1 of 3

### March 2022

The commission **acknowledged the report** providing evidence of

- The follow up to the proposed plan in response to COVID-19.

No further information requested.

### March 2021

The commission **accepted the report** providing evidence of

- The program publishes and makes readily available to students upon admission policies and procedures for processing student grievances. No further information requested.

### September 2020

The commission **reviewed the report** addressing 4<sup>th</sup> edition

- **Standard A3.17d** (lacked evidence the program defines, publishes and makes readily available to students upon admission policies and procedures for processing student grievances) and
- **Standard A3.22a** (provided evidence principal faculty records include current job descriptions that include duties and responsibilities specific to the faculty member).

Additional information (evidence the program publishes and makes readily available to students upon admission policies and procedures for processing student grievances) due August 7, 2020.

### June 2020

The commission **acknowledged the report** providing evidence of

- The proposed plan in response to COVID-19. No further information requested.

### March 2020 (following Final Provisional review)

Accreditation-Continued; Next Comprehensive Evaluation: March 2030. Maximum class size: 60.

Report due May 18, 2020 (*Standards*, 4<sup>th</sup> edition) -

- **Standard A3.17d** (lacked evidence the program defines, publishes and makes readily available to students upon admission policies and procedures for processing student grievances) and
- **Standard A3.22a** (lacked evidence principal faculty records include current job descriptions that include duties and responsibilities specific to the faculty member).

### June 2019

The commission **accepted the report** addressing 4<sup>th</sup> edition

- **Standard B2.09** (provided evidence the program curriculum includes instruction related to helping patients cope with illness, injury and stress). No further information requested.

### March 2019

The commission **accepted the report** addressing 4<sup>th</sup> edition

- **Standard A2.09d** (provided evidence the program director is knowledgeable about and responsible for program continuous review and analysis),
- **Standard B1.08** (provided evidence the curriculum includes opportunities for students to apply principles of interprofessional practice in interprofessional teams),
