March 2023

The commission **accepted** the report addressing 5th edition

- **Standard B4.01b** (provided evidence of student assessment in the supervised clinical practice experience components that will b) allow the program to identify and address any student deficiencies in a timely manner).

No further information requested.

June 2022

Accreditation-Provisional; Program has not yet enrolled students but plans and resource allocation, if fully implemented as planned, demonstrate the probability to meet the ARC-PA *Standards*. Next Comprehensive Evaluation: June 2025 (Provisional Monitoring). The program is approved for up to 25 students.

Report due August 8, 2022 (*Standards*, 5th edition) -

- **Standard B4.01b** (lacked evidence of student assessment in the supervised clinical practice experience components that will b) allow the program to identify and address any student deficiencies in a timely manner).

No report due for the following citation(s) (commission expects program to submit all reports and documents as required by the ARC-PA with the initial submission):

- **Standard A3.11** (lacked evidence the website accurately reflects the program offered; corrected during the site visit) and
- **Standard A3.13a** (lacked evidence of defined, published, consistently applied and made readily available to prospective students, policies and procedures to include a) admission and enrollment practices that favor specified individuals or groups; corrected subsequent to visit).
