

Missouri State University Accreditation History

First accredited: October 1999

Next review: March 2031

Maximum class size: 36

Page 1 of 4

March 2023

The program received an alert through the Program Management Portal that the number of students exceeded the maximum entering class size. The program submitted the required Exceeding Class Size report. The commission **accepted the report**. No further information requested.

March 2022

Program Change: Increase maximum entering class size to 36 students, effective January 16, 2023. The commission **approved the program's proposed change**. No further information is requested.

September 2021

The commission **accepted the report** addressing 5th edition

- **Standard B3.06a** (provided evidence supervised clinical practice experiences [SCPEs] occur with physicians specialty board certified in their area of instruction). No further information requested.

June 2021

The commission **accepted the report** providing evidence of

- Confirmation all students in the class of 2020 met all program and supervised clinical practice experience learning outcomes and completed summative testing. No further information requested.

The commission **acknowledged the report** providing evidence of

- Website updated with latest NCCPA PANCE Exam Performance Summary Report. No further information requested.

March 2021

Accreditation-Continued; Next Comprehensive Evaluation: March 2031. Maximum class size: 30.

Report due April 1, 2021 (*Standards*, 5th edition) -

- **Standard A3.12c** (lacked evidence the most current annual NCCPA PANCE Exam Performance Summary Report is published on the program website).

Report due May 7, 2021 (*Standards*, 5th edition) -

- **Standard B3.06a** (lacked evidence supervised clinical practice experiences [SCPEs] occur with physicians specialty board certified in their area of instruction).

September 2020

The commission **acknowledged the report** providing evidence of

- Updated changes in response to COVID-19. No further information requested.

June 2020

The commission **acknowledged the report** providing evidence of

- The proposed plan in response to COVID-19.

Missouri State University Accreditation History

First accredited: October 1999

Next review: March 2031

Maximum class size: 36

Page 2 of 4

Additional information (follow-up for the class of 2020 on graduation; confirmation all students met all program and supervised clinical practice experience learning outcomes and completed summative testing) due February 5, 2021.

March 2018

Program Change: Change in graduation requirements (increase from 83 to 87 semester hours), effective August 15, 2018. The commission **acknowledged the proposed change**. No further information requested.

The program received an alert through the Program Management Portal that the number of students exceeded the maximum entering class size. The program submitted the required Exceeding Class Size report. The commission **accepted the report**. No further information requested.

April 2016

The program was notified of a change in the accreditation process (due to increase in program applications, commission meetings, in addition to March and September, to be conducted). Program's next validation review changed from March 2019 to March 2021 due to this change.

September 2012

The commission **accepted the report** providing evidence of

- Updated website with NCCPA PANCE Pass Rate Summary Report.

The commission **accepted the report** addressing 4th edition

- **Standard A2.16** (provided evidence all instructional faculty serving as supervised clinical practice experience [SCPEs] preceptors hold a valid license) and
- **Standard B3.03a** (provided evidence of SCPEs providing sufficient patient exposure with patients seeking medical care across the life span). No further information requested.

March 2012

Accreditation-Continued; Next Comprehensive Evaluation: March 2019. Maximum Student Capacity: 69. Report due April 20, 2012

- Update website with NCCPA PANCE Pass Rate Summary Report.

Due July 1, 2012 (*Standards*, 4th edition) -

- **Standard A2.16** (lacked evidence all instructional faculty serving as supervised clinical practice experience [SCPEs] preceptors hold a valid license) and
- **Standard B3.03a** (lacked evidence of SCPEs providing sufficient patient exposure with patients seeking medical care across the life span).

March 2010

Program Change: Change in maximum student capacity (55 to 69). The commission **approved the proposed change**. No further information requested.

March 2009

The commission **accepted the report** providing evidence of

Missouri State University Accreditation History

First accredited: October 1999

Next review: March 2031

Maximum class size: 36

Page 3 of 4

- Patient encounters and student access to physical facilities. No further information requested.

March 2008

The commission **accepted the report** addressing 3rd edition

- **Standard A3.07i** (provided evidence the program defines, publishes and makes readily available to prospective and enrolled students first time PANCE pass rates for the five most recent graduating classes),
- **Standard B7.03d** (provided evidence supervised clinical practice experience is provided in long-term care settings),
- **Standard B7.04h** (provided evidence that every student has supervised clinical practice experiences in psychiatry and/or behavioral medicine),
- **Standard C4.01** (provided evidence the program defines and maintains consistent and effective processes for the initial and ongoing evaluation of all sites and preceptors used for students' clinical practice experiences) and
- **Standard C4.03** (provided evidence the program ensures and documents that each clinical site provides the student access to the physical facilities, patient populations, and supervision necessary to fulfill the program's expectations of the clinical experience).

Additional information (patient encounters [data and analysis] and student access to physical facilities) due January 9, 2009.

March 2007

Accreditation-Continued; Next Comprehensive Evaluation: March 2012. Maximum Student Capacity: 54. Report due January 11, 2008 (*Standards*, 3rd edition) -

- **Standard A3.07i** (lacked evidence the program defines, publishes and makes readily available to prospective and enrolled students first time PANCE pass rates for the five most recent graduating classes),
- **Standard B7.03d** (lacked evidence supervised clinical practice experience is provided in long-term care settings),
- **Standard B7.04h** (lacked evidence that every student has supervised clinical practice experiences in psychiatry and/or behavioral medicine),
- **Standard C4.01** (lacked evidence the program defines and maintains consistent and effective processes for the initial and ongoing evaluation of all sites and preceptors used for students' clinical practice experiences) and
- **Standard C4.03** (lacked evidence the program ensures and documents that each clinical site provides the student access to the physical facilities, patient populations, and supervision necessary to fulfill the program's expectations of the clinical experience).

July 2005

The commission **acknowledged the name change** from Southwest Missouri State University to Missouri State University.

**Missouri State University
Accreditation History**
