September 2024 (following Provisional Monitoring review)

Accreditation-Provisional; Program demonstrates continued progress in complying with the *Standards* as it prepares for the graduation of the first class of students. The commission noted 2 areas of noncompliance with the *Standards*.

Next Comprehensive Evaluation: September 2026 (Final Provisional). Maximum class size: 38.

Report due November 15, 2024 (*Standards*, 5th edition):

- **Standard A3.14** (lacked evidence the program makes student admission decisions in accordance with clearly defined and published practices of the institution and program)

No report due (commission expects program to submit all reports and documents as required by the ARC-PA with the initial submission):

- **Standard E1.03** (lacked evidence program submits reports or documents as required by the ARC-PA)

June 2022

The commission **accepted from the letter** the report addressing 5th edition

- **Standard B4.01a** (provided evidence student assessment in the supervised clinical practice experience components aligns with what is expected and taught).

No further information requested.

September 2021
