### September 2024

Accreditation-Clinical Postgraduate Program; Next Comprehensive Evaluation: September 2027. The program is approved for up to two (2) students per cohort with two-four (2-4) entering cohorts per year. Report due February 1, 2025 (*Standards*, 3<sup>rd</sup> edition):

- **Standard B1.06** (lacked evidence that for all didactic and clinical curriculum, the program provides each PA trainee with a written document that includes learning outcomes to guide PA trainee acquisition of the required competencies)
- **Standard C2.01** (lacked evidence the program defines, implements and maintains effective processes for the initial and ongoing evaluation of all sites and preceptors used for PA trainees' clinical practice experiences)
