

## George Fox University Accreditation History

First accredited: September 2020

Next review: March 2035

Maximum class size: 36

Page 1 of 1

### March 2025 (following Final Provisional review)

Accreditation-Continued; Program has demonstrated continued and sufficient compliance with the ARC-PA *Standards* after completion of the provisional review process. The commission noted 1 area of noncompliance with the *Standards*.

Next Comprehensive Evaluation: March 2035. Maximum class size: 36.

No report due (the program indicated it will not use this preceptor for women's health in the future):

- **Standard B3.06a** (lacked evidence supervised clinical practice experiences occur with physicians who are specialty board certified in their area of instruction)

### March 2024

Program Change: Change in program fiscal support. The commission **acknowledged the program's proposed change**. No further information requested.

### March 2023 (following Provisional Monitoring review)

Accreditation-Provisional; Program demonstrates continued progress in complying with the *Standards* as it prepares for the graduation of the first class of students. Next Comprehensive Evaluation: March 2025 (Final Provisional). Maximum class size: 36.

No report due (commission expects program to submit all reports and documents as required by the ARC-PA with the initial submission):

- **Standard E1.03** (lacked evidence program submits reports or documents as required by the ARC-PA)

### March 2021

The commission **accepted the report** addressing 5<sup>th</sup> edition

- **Standard A3.13d** (provided evidence the program publishes and makes readily available to prospective students any required academic standards for enrollment) and
- **Standard A3.14** (provided evidence the program makes student admission decisions in accordance with clearly defined and published practices of the institution and program). No further information requested.

### September 2020

Accreditation-Provisional; Next Comprehensive Evaluation: TBD (Provisional Monitoring). The program is approved for up to 20 students in the first class of students, 32 in the second class and 36 in the third class.

Report due December 11, 2020 (*Standards*, 5<sup>th</sup> edition) -

- **Standard A3.13d** (lacked evidence the program publishes and makes readily available to prospective students any required academic standards for enrollment) and
- **Standard A3.14** (lacked evidence the program makes student admission decisions in accordance with clearly defined and published practices of the institution and program).
