

## Presbyterian College Accreditation History

First accredited: June 2019  
Next review: September 2033  
Maximum class size: 36  
Page 1 of 2

### March 2025

The program's PANCE pass rate percentage was 85% or less for its 2023 cohort. The program submitted the required analysis of PANCE performance. The commission **accepted the report**. No further information requested.

### June 2024

The commission **accepted** the report addressing 5<sup>th</sup> edition

- **Standard B3.06a** (provided evidence supervised clinical practice experiences occur with physicians who are specialty board certified in their area of instruction)

No further information requested.

### September 2023 (following Final Provisional review)

Accreditation-Continued; Program has demonstrated continued and sufficient compliance with the ARC-PA *Standards* after completion of the provisional review process. Next Comprehensive Evaluation: September 2033. The program is approved for a maximum class size of 36.

Report due February 1, 2024 (*Standards*, 5<sup>th</sup> edition):

- **Standard B3.06a** (lacked evidence supervised clinical practice experiences occur with physicians who are specialty board certified in their area of instruction)

No report due (commission expects program to submit all reports and documents as required by the ARC-PA with the initial submission):

- **Standard E1.03** (lacked evidence the program submits reports or documents as required by the ARC-PA)

### June 2022

The commission **Accepted** the report addressing 5<sup>th</sup> edition

- **Standard A3.15a** (provided evidence the program defines, publishes, consistently applies and makes readily available any required academic standards),
- **Standard B2.12b-c** (provided evidence the curriculum includes instruction that is culturally sensitive in development of b) behavior modification and c) coping mechanisms) and
- **Standard B4.01b** (provided evidence student assessment in the supervised clinical practice experience components allows the program to identify and address any student deficiencies timely).

No further information requested.

### September 2021 (following Provisional Monitoring review)

Accreditation-Provisional; Next Comprehensive Evaluation: September 2023 (Final Provisional). The maximum entering class size remains 36 for the third class.

Report due February 15, 2022 (*Standards*, 5<sup>th</sup> edition) -

- **Standard A3.15a** (lacked evidence the program defines, publishes, consistently applies and makes readily available any required academic standards),
- **Standard B2.12b-c** (lacked evidence the curriculum includes instruction that is culturally sensitive in development of b) behavior modification and c) coping mechanisms) and
