March 2025

Accreditation-Continued; Program has demonstrated continued and sufficient compliance with most ARC-PA *Standards*. The commission noted 2 areas of noncompliance with the *Standards*.

Next Comprehensive Evaluation: March 2035. Maximum class size: 18.

Report due May 19, 2025 (*Standards*, 5th edition):

- **Standard B4.01a** (lacked evidence the program conducts frequent, objective and documented evaluations of student performance in meeting the program's learning outcomes and instructional objectives for both didactic and supervised clinical practice experience components and that align with what is expected and taught)
- **Standard B4.01b** (lacked evidence the program conducts frequent, objective and documented evaluations of student performance in meeting the program's learning outcomes and instructional objectives for both didactic and supervised clinical practice experience components and that allow the program to identify and address any student deficiencies in a timely manner)

Program Change: The commission **acknowledged the program's change** in fiscal support effective August 23, 2024. No further information requested.

March 2024

The program received an alert through the Program Management Portal that the number of students exceeded the maximum entering class size. The program submitted the required Exceeding Class Size report. The commission **accepted the report**. No further information requested.

September 2023

Program Change: One-time temporary increase in class size to 35 for the 2024 cohort only in order to accommodate incoming students from a closing program. No further information is requested.

September 2022

The program received an alert through the Program Management Portal that the number of students exceeded the maximum entering class size. The program submitted the required Exceeding Class Size report. The commission **accepted the report**. No further information requested.

June 2020

The commission **acknowledged the report** providing evidence of

- The proposed plan in response to COVID-19. No further information requested.

March 2019

The program received an alert through the Program Management Portal that the number of students exceeded the maximum entering class size. The program submitted the required Exceeding Class Size report. The commission **accepted the report**. No further information requested.

September 2017

The commission **accepted the report** addressing 4th edition

Maximum class size: 18

Page 2 of 3

- **Standard C1.02** (provided evidence the program applies the results of ongoing program self-assessment to the curriculum and other dimensions of the program) and
- **Standard C2.01b-c**, modified Self-Study Report (provided evidence of a self-study report that documents b) results of critical analysis from the ongoing self-assessment and c) faculty evaluation of the curricular and administrative aspects of the program). No further information requested.

May 2016

The program was notified of a change in the accreditation process (time extended between regularly scheduled validation reviews from seven to ten years). Program's next validation review changed from March 2022 to March 2025 due to this change.

September 2015

The commission **accepted the report** addressing 4th edition

- **Standard B1.09** (provided evidence for each didactic and clinical course, the program defines and publishes instructional objectives that guide student acquisition of required competencies). No further information requested.

The commission **accepted the report** addressing 4th edition

- **Standard A3.07** (provided evidence the policy on immunization of students is based on current Centers for Disease Control recommendations for health professionals) and
- **Standard A3.08** (provided evidence the program informs students of written policies addressing student exposure to infectious and environmental hazards before students undertake any educational activities that would place them at risk). No further information requested.

The commission **accepted the report** providing evidence of

- Corrected SCPEs tab in the Portal. No further information requested

March 2015

Accreditation-Continued; Next Comprehensive Evaluation: March 2022. Maximum class size: 18.

Report due April 15, 2015 (*Standards*, 4th edition) -

- **Standard A3.07** (lacked evidence the policy on immunization of students is based on current Centers for Disease Control recommendations for health professionals) and
- **Standard A3.08** (lacked evidence the program informs students of written policies addressing student exposure to infectious and environmental hazards before students undertake any educational activities that would place them at risk) and
- Correct supervised clinical practice experiences [SCPEs] tab in the Program Management Portal.

Due June 1, 2015 (*Standards*, 4th edition) -

- **Standard B1.09** (lacked evidence for each didactic and clinical course, the program defines and publishes instructional objectives that guide student acquisition of required competencies).

Due July 1, 2017 (*Standards*, 4th edition) -

- **Standard C1.02** (lacked evidence the program applies the results of ongoing program self-assessment to the curriculum and other dimensions of the program) and
